

## Data Collection and Reporting for Strong Beginnings Pilot Sites

### Data Elements Needed for Children/Families Enrolled in Strong Beginnings

<b>Information Needed</b>	<b>Collection Timeframe and Frequency</b>	<b>Is this Currently Required of GSRP?</b>	<b>Who Supplies Information</b>	<b>Type of Information and Who Receives It</b>	<b>Existing Individual ISD form, New Pilot-Wide Research Team Form, New Pilot-Wide Implementation Team Form or Other?</b>
Consent to Participate	Once at start of program year	Yes. Current requirement. Will be a different, more detailed form for SB	SB Program staff	Research Team	Pilot-wide form provided by Research Team
Final PQA/Class scores for each item for each site and summed over ISD	Once at end of school year	Yes. Current requirement for data teams.	SB Program Staff	Research Team receives child-level data  Implementation Team receives summary level data	Other. Pilot-wide form provided by Publisher for each item for each site.  Pilot-wide summary form provided by Implementation Team
Teacher Completed Survey on children	Twice a year in January & June (Cohort 1) and October & June (Cohort 2)	No. This is a new requirement.	Teachers	Research Team (reviews site summaries with Implementation Team)	Pilot-wide form provided by Research Team
Parent Information (PI)—goals documents	Bi-monthly	No. This is a new requirement.	Family Liaison Supervisor	Research Team receives individual goals document  Implementation Team Receives summary sheet with number completed, top goal areas, top referrals	Pilot-wide form provided by Research Team  Pilot-wide Summary Document provided by Implementation Team

<b>Information Needed</b>	<b>Collection Timeframe and Frequency</b>	<b>Is this Currently Required of GSRP?</b>	<b>Who Supplies Information</b>	<b>Type of Information and Who Receives It</b>	<b>Existing Individual ISD form, New Pilot-Wide Research Team Form, New Pilot-Wide Implementation Team Form or Other?</b>
PI-Participation at resource fair	Once per cohort	May currently be collected as part of parent data collection	Family Liaison Supervisor	Info on each parent for Research Team  Summary site doc for Implementation Team	Pilot-wide Family Liaison Contact form provided by Research Team  Pilot-wide summary form provided by Implementation Team
PI-referrals to other programs	Bi-Monthly	May currently be collected by programs who make referrals through GSRP.	Family Liaison Supervisor	Info on each parent for Research Team  Summary site doc for Implementation Team listing top 3 referrals each site	Pilot-wide Family Liaison Contact form provided by Research Team  Pilot-wide summary form provided by Implementation Team
PI-School Volunteering	Bi-Monthly	Yes. This is currently required for GSRP.	Teaching/Program Staff	Info on each parent for Research Team  Classroom summary for Implementation Team	Pilot-wide Family Involvement Log provided by Research Team  Pilot-wide summary form provided by Implementation Team
PI-Contact Dates with Family Liaison	Bi-Monthly	No. This is a new requirement.	Family Liaison Supervisor	Info on each parent for Research Team  Family Liaison summary for Implementation Team	Pilot-wide Family Advocacy Contact Form provided by Research Team  Pilot-wide summary form provided by Implementation Team
Child Attendance Data	Once at end of school year.	Yes. This is currently required by licensing.	Teaching/Program Staff	Individual child data provided to Research Team by Site Summary information by site provided to Implementation Team by Research Team	Pilot-wide form provided by Research Team

<b>Information Needed</b>	<b>Collection Timeframe and Frequency</b>	<b>Is this Currently Required of GSRP?</b>	<b>Who Supplies Information</b>	<b>Type of Information and Who Receives It</b>	<b>Existing Individual ISD form, New Pilot-Wide Research Team Form, New Pilot-Wide Implementation Team Form or Other?</b>
Child COR or TSG Scores	Two times a year for child-level data (Beginning and end of year as 3's and 4's)  Three times a year for site summary data (fall, winter, spring)	Yes. This is a current requirement for GSRP.	Program Staff	Research Team provided individual child data  Average score on each child assessment item fall, winter and spring by site for Implementation Team	Other. Pilot-wide form by Publisher  Pilot-wide summary form provided by Implementation Team
Child Screener Data	Once at beginning of school year (3's, 4's and K-entry).	Yes. This is a current requirement for GSRP.	Teaching/Program Staff	Research Team gets Individual child data  Site summary for Implementation Team	Other. Pilot-wide form by the Publisher  Pilot-wide summary form provided by Implementation Team
Child Self-Regulation	Twice a year (Beginning and end of year as 3's, 4's and K)	No. This is a new requirement.	Trained research assistants	Research Team	Pilot-wide form provided by Research Team
Child Oral Language and Literacy Skills	Twice for 3 and 4's (beginning and end of year)  Once at K-entry.	No. This is a new requirement.	Trained research assistants	Research Team	Pilot-wide form provided by Research Team
Child Social Emotional	Twice for 3 and 4's (beginning and end of year) .  Once at K-entry.	No. This is a new requirement.	Trained research assistants	Research Team	Pilot-wide form provided by Research Team

<b>Information Needed</b>	<b>Collection Timeframe and Frequency</b>	<b>Is this Currently Required of GSRP?</b>	<b>Who Supplies Information</b>	<b>Type of Information and Who Receives It</b>	<b>Existing Individual ISD form, New Pilot-Wide Research Team Form, New Pilot-Wide Implementation Team Form or Other?</b>
Child Social Skills and Approaches to Learning	Twice for 3 and 4's (beginning and end of year).  Once at K-entry.	No. This is a new requirement.	Teachers	Research Team	Pilot-wide form provided by Research Team
Referral to Special Education for Evaluation	Monthly when there are referrals as 3's ,4's and K.	No. This is a new requirement.	Teachers	Research Team receives child-level data  Summary by classroom for Implementation Team for 3's	Existing ISD form if available  Pilot-wide summary form provided by Implementation Team
Child Expulsion Data	Monthly when there are expulsions as 3's, 4's and K.	No. This is a new requirement.	Teachers	Research Team receives child-level data  Summary by classroom for Implementation Team for 3's	Existing ISD form if available  Pilot-wide summary form provided by Implementation Team
Family Survey (3) and possible interviews	Twice a year as 3's.  Once a year as 4's & K.	No. This is a new requirement.	Family	Research Team receives child-level data	Pilot-wide form provided by Research Team
Coaching Logs	Monthly	Yes. This is a current requirement for GSRP.	ECS/ECC	Research Team receives child-level data	Existing ISD form
Coaching Documentation Forms	Monthly	Yes. This is a current requirement for GSRP.	ECS/ECC	Research Team receives child-level data	Existing ISD form

<b>Information Needed</b>	<b>Collection Timeframe and Frequency</b>	<b>Is this Currently Required of GSRP?</b>	<b>Who Supplies Information</b>	<b>Type of Information and Who Receives It</b>	<b>Existing Individual ISD form, New Pilot-Wide Research Team Form, New Pilot-Wide Implementation Team Form or Other?</b>
Coaching Survey/Interview	Once at end of program year	No. This is a new requirement.	ECS	Research and Implementation Team receive individual responses	Pilot-wide form provided by Research Team
Family Liaison Survey/Interview	Once at end of program year	No. This is a new requirement.	Family Liaisons	Research and Implementation Team Receive individual responses	Pilot-wide form provided by Research Team
